Answer the problems to the right on a separate piece of paper and send to your teacher on Remind.

There are 14 ducks in a pond. 5 ducks are white and the rest are brown. How many ducks are brown?

|

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ ducks

Jenny has 19 flowers. Zamir has 5 flowers. How many more flowers does Jenny have than Zamir?

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ flowers

Jenny has 19 flowers. Zamir has 5 flowers. How many fewer flowers does Jenny have than Zamir?

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ flowers

Wednesday- ELA

Today you will continue learning about main idea as you work to turn your main idea bubble map from Monday into a paragraph.

Grab a piece of paper and watch

<https://youtu.be/NVwC50IJ2E>

Follow along as you learn to write your paragraph. Take a picture and post it to Remind.

Wednesday Spelling and Phonics

1. Daily Letterland Lesson:

<https://youtu.be/34YDMkQALjk>

2. Mapping Phonics Lesson:

What is mapping?

https://www.youtube.com/watch?v=F3D_39l6fml&feature=youtu.be

Mapping lessons:

<https://cobras1st.weebly.com/>

Go to the tab that says “mapping” and choose the level you need.

Wednesday- Math (English)

The rest of this week we will work on mixing together addend unknown, change unknown, and comparing word problems. Watch the video below.

<https://youtu.be/Yc9noMG6qa8>

Go to Showbie to practice the word problems to the right and submit your work to your teacher.

There were 12 bunnies playing in the grass. Some more bunnies hopped there. Now there are 15 bunnies. How many bunnies hopped there?

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ bunnies

My mom has 17 dogs. My dad has 10 dogs. How many fewer dogs does my dad have than my mom?

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ dogs

My sister has 16 rings. 7 rings are gold and the rest are silver. How many of my sister's rings are silver?

Step 1- Write the equation (number sentence): _____

Step 2- Show your work to solve:

Step 3- Write the answer: _____ rings

Thursday Spelling and Phonics

1. Daily Letterland Lesson:

<https://youtu.be/Ow1Z--MizdM>

2. Mapping Phonics Lesson:

What is mapping?

https://www.youtube.com/watch?v=F3D_39l6fml&feature=youtu.be

Mapping lessons:

<https://cobras1st.weebly.com/>

Go to the tab that says “mapping” and choose the level you need.
